BB team:

Commercial Fisherman from the BB will be in DC next week meeting with folks at EPA, on Capitol Hill and the WH to discuss the status of EPA's BBA, reiterate their concerns about the need to protect BB's fishery resources and to share a new report they have developed that attempts to clarify the economic value of the BB fishery.

Authors of the report would like to brief EPA's BB team members on this report on Tuesday 3/19 at 11 AM ET. Reps for the commercial fisherman said they would provide us with an embargoed copy of this new report in advance of our meeting, which I will pass along to you.

Please plan to call in if you have the time.

Thanks, Palmer
